Through our [Comm\(unity\) Relief Program](#), now more than ever, we’re here to support our members and communities. If this pandemic has impacted you, our staff is dedicated to working with and helping you through these uncertain times.

Your Money is Safe and Insured

There are a lot of things to worry about these days, but the safety of your money in your credit union isn’t one of them. Your money is safe and your accounts are federally insured by the [National Credit Union Share Insurance Fund \(NCUSIF\)](#). There is no risk in keeping money in your account, but there are countless risks to holding large amounts of cash.

Communication Updates

We will continue to monitor the situation and communicate these decisions with you through email, on [electrosavings.com](#) and our social media channels.

We’re not going anywhere, because at its core, Electro is not a building or a business, it’s people unified for a common goal. Please take care of yourself and those around you, and do not hesitate to contact us for any assistance. Together we are stronger.

Sincerely,

Jim Struble
